

Prince of Wales

The cottage was great; we had a lovely family time and will definitely be booking next year.

Mrs S, Bawtry

The heart of this cottage is the modern kitchen. In the secluded back yard there is also a small utility room equipped with a washing machine and tumble dryer. Leading from the kitchen is a well-proportioned living room and dining area.

Prince of Wales Cottage is two minute's walk from the nearest shops and only half a mile from the railway station. Parking is in public car parks, the nearest of which is approximately a 15 minute walk away.

Climb the steep staircase and you'll discover a double bedroom, a room with bunk beds and family bathroom with shower facility. At the top of the second, very steep staircase is a small sitting area with TV leading to an attractive twin bedroom.

What Our Customers Recently Said

- Mr G, Leeds says: What a great experience. I really appreciate the systems you have in place (key retrieval, note behind sink to remind visitors check-out is 10am - good stuff).
- Mrs L, Solihull says: We had a fabulous time and would recommend Shoreline Cottages to anyone. The arrangements to collect the keys were simple and straightforward, which is exactly what you need after travelling over 200 miles.
- Mr C, London says: This was my second holiday in a Shoreline cottage so I already expected a very high standard of accommodation. Prince of Wales was as I expected; it was a great place to stay and a great time was had by all.
