

County Loft

Excellent accomodation, Very high standard of finish. Great views and location. Would defintiely come again.

Mrs M, Burscough

County Loft is a superb two bedroom penthouse apartment. Located on the second floor, it has been furnished and equipped to an exceptional standard and is ideal for a luxury holiday in Whitby. Unfortunately, however, there is no lift in the building.

The property has the benefit of two double bedrooms - both furnished to a very high standard including the latest flat screen televisions. One of the bedrooms also has a separate single bed that can be used at a small additional charge. The well designed and modern bathroom contains a jacuzzi bath and over bath shower facility.

A very well equipped kitchen and dining area together with the luxurious sitting room form the hub of the apartment with ample space for you to relax in with friends or family. Perhaps unusually for a holiday apartment, the property has the benefit of a small office for those wanting to bring work away with them! Please note that, as with our other properties, it does not have an internet connection.

The property does not have the benefit of parking but there are a number of roads around that offer on street parking. It is a five minute walk from the centre of Whitby and the railway station.
