

Kipper

This property is fantastic. The views are just amazing and it is great to have a patio and garden to sit outside

Mrs H, Leeds

Kipper Cottage has probably the most stunning views in Whitby. It is located on the fashionable East Side and has the benefit of a garden looking out over the harbour and sea - perfect for taking the sea air at any time of year.

On entering the property you will find a stunning sitting room with sea views through its large bay window. This leads onto the modern, beautifully fitted kitchen & dining area where it is possible for you to savour the delights of Whitby fish and chips or perhaps a home cooked meal in comfort.

The property has the benefit of 3 bedrooms: one double and two twins. The first of the bedrooms has great views over to the sea, the second has a stunning en-suite shower room and the third bedroom is a large double with an additional bed if required.

The accommodation is completed by a beautifully styled house bathroom that also includes a separate shower cubicle.

The property is located below another of our properties - Captain's Quarters. In booking both properties it is possible to accommodate a larger group of up to 15 people.

The approach to this cottage is down a short but steep cobbled path that would prove difficult for those with any mobility problems.

Kipper Cottage is two minutes' walk from the nearest shops and only half a mile from the railway station. Parking is in public car parks, the nearest of which is approximately a 15 minute walk away.
